REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The art of record considered as a whole, lone or in combination, neither anticipates nor renders obvious a nail gun comprising a solenoid mounted in the gun housing including a coil member movable in a rearward direction opposite to the frontward direction when the solenoid is actuated; and a shock-absorbing member mounted in the housing and disposed rearwardly of and resiliently abutting against the coil member so as to provide a shock-absorbing effect on the nail driving gun when the coil member is magnetically drawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
